# Estructura inicial

# Proceso

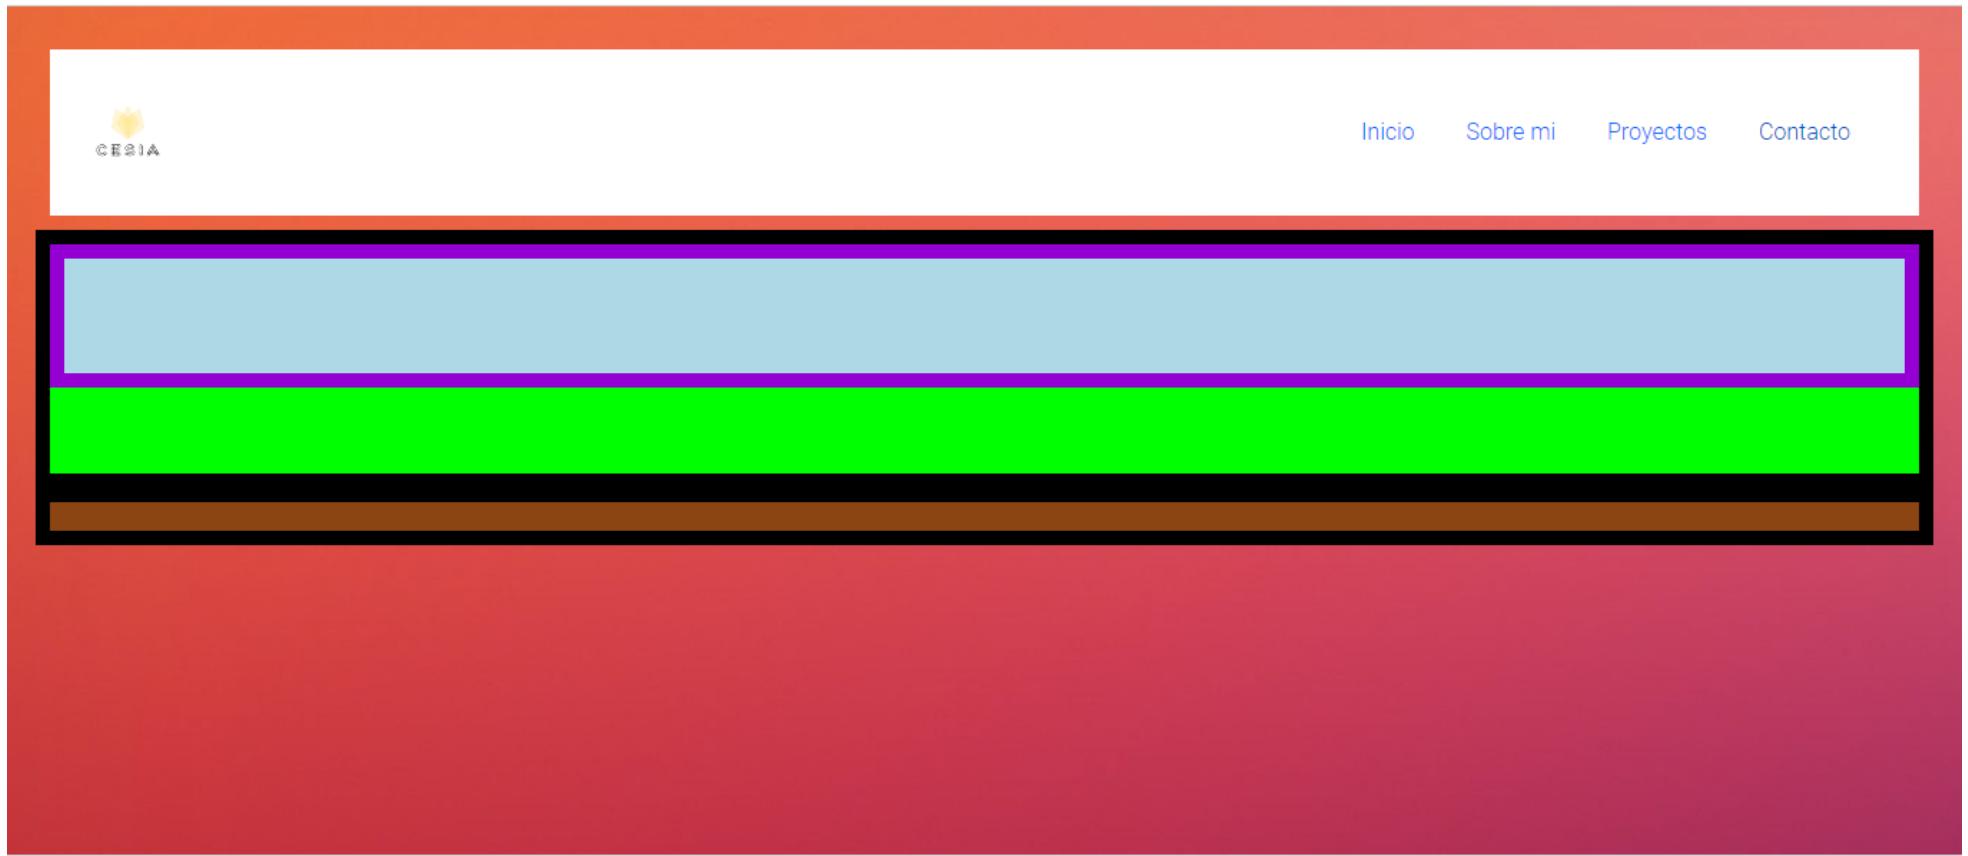

The screenshot illustrates the development environment for a web portfolio project. It features three main windows:

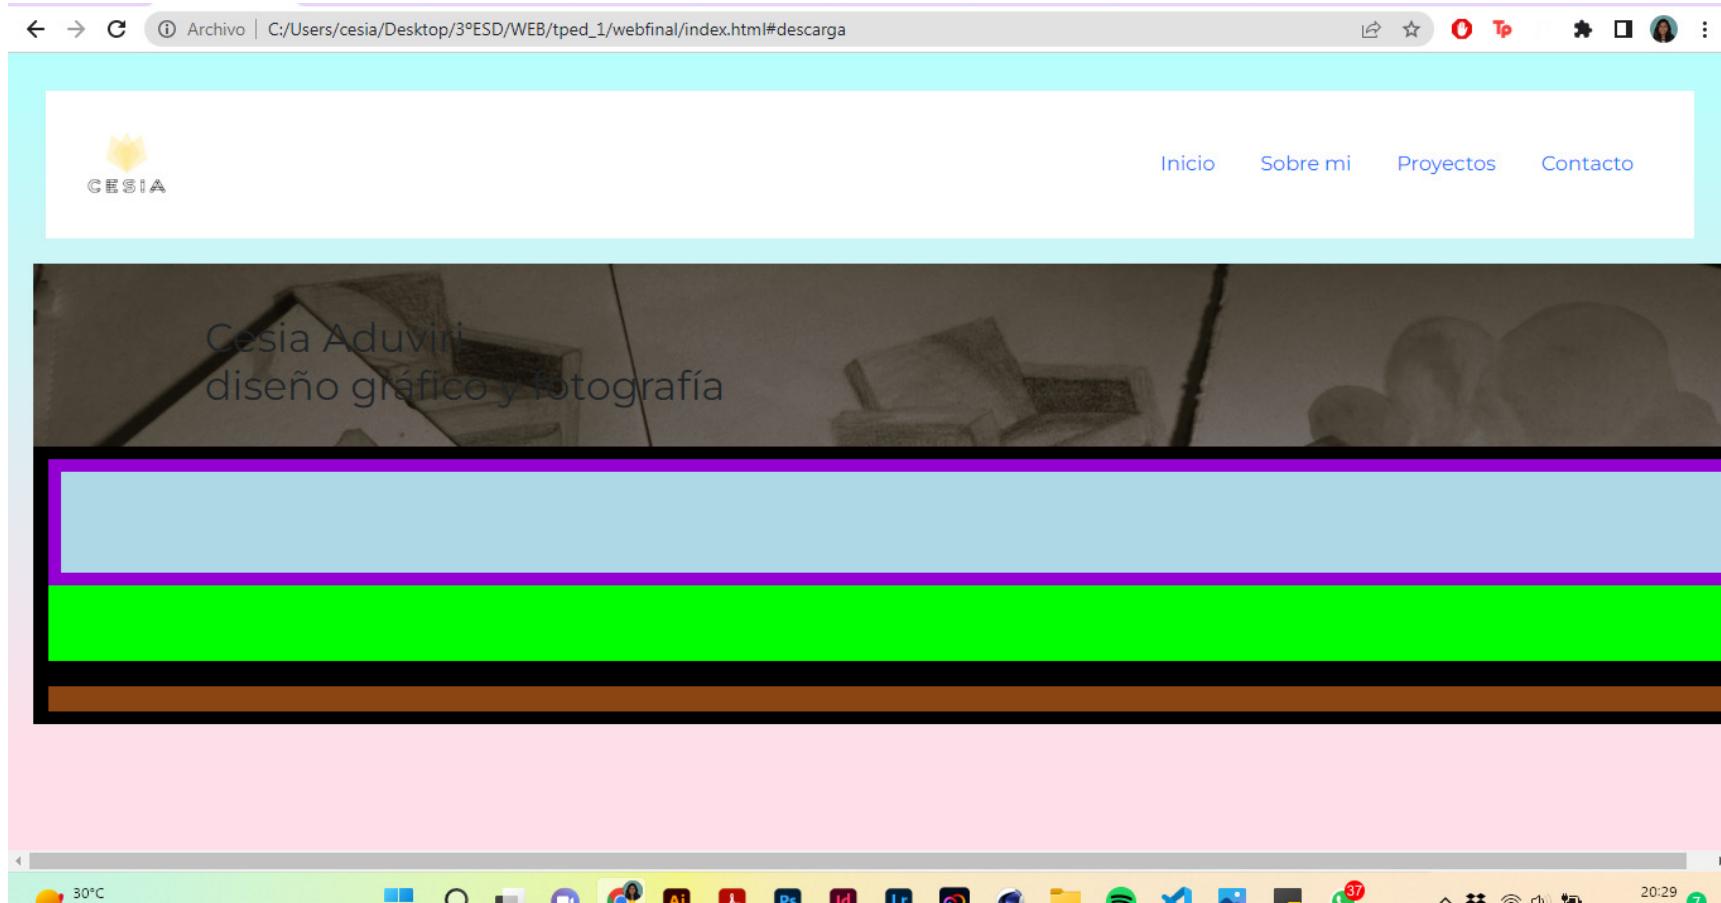

- Browser Window:** Shows a simple portfolio page with the title "Portfolio".
- File Explorer:** Displays the project structure under "TPED\_1". Key folders include "bootstrap", "ej\_tipos", "ejdeprueba", "ejemplo", "ejprueba2", "evernote", "final", "galeria", "galeria2", "hackers\_el\_pais", "nike\_digital", "parcialCesia", "responsive", and "webfinal". Inside "webfinal", there are sub-folders "css" and "js", and files "index.html", "# style.css", "pantallazos.ai", "pantallazos.pdf", and "parcial-tped1-grupoA...".
- Code Editor:** Visual Studio Code is open with the file "index.html" selected. The code is as follows:

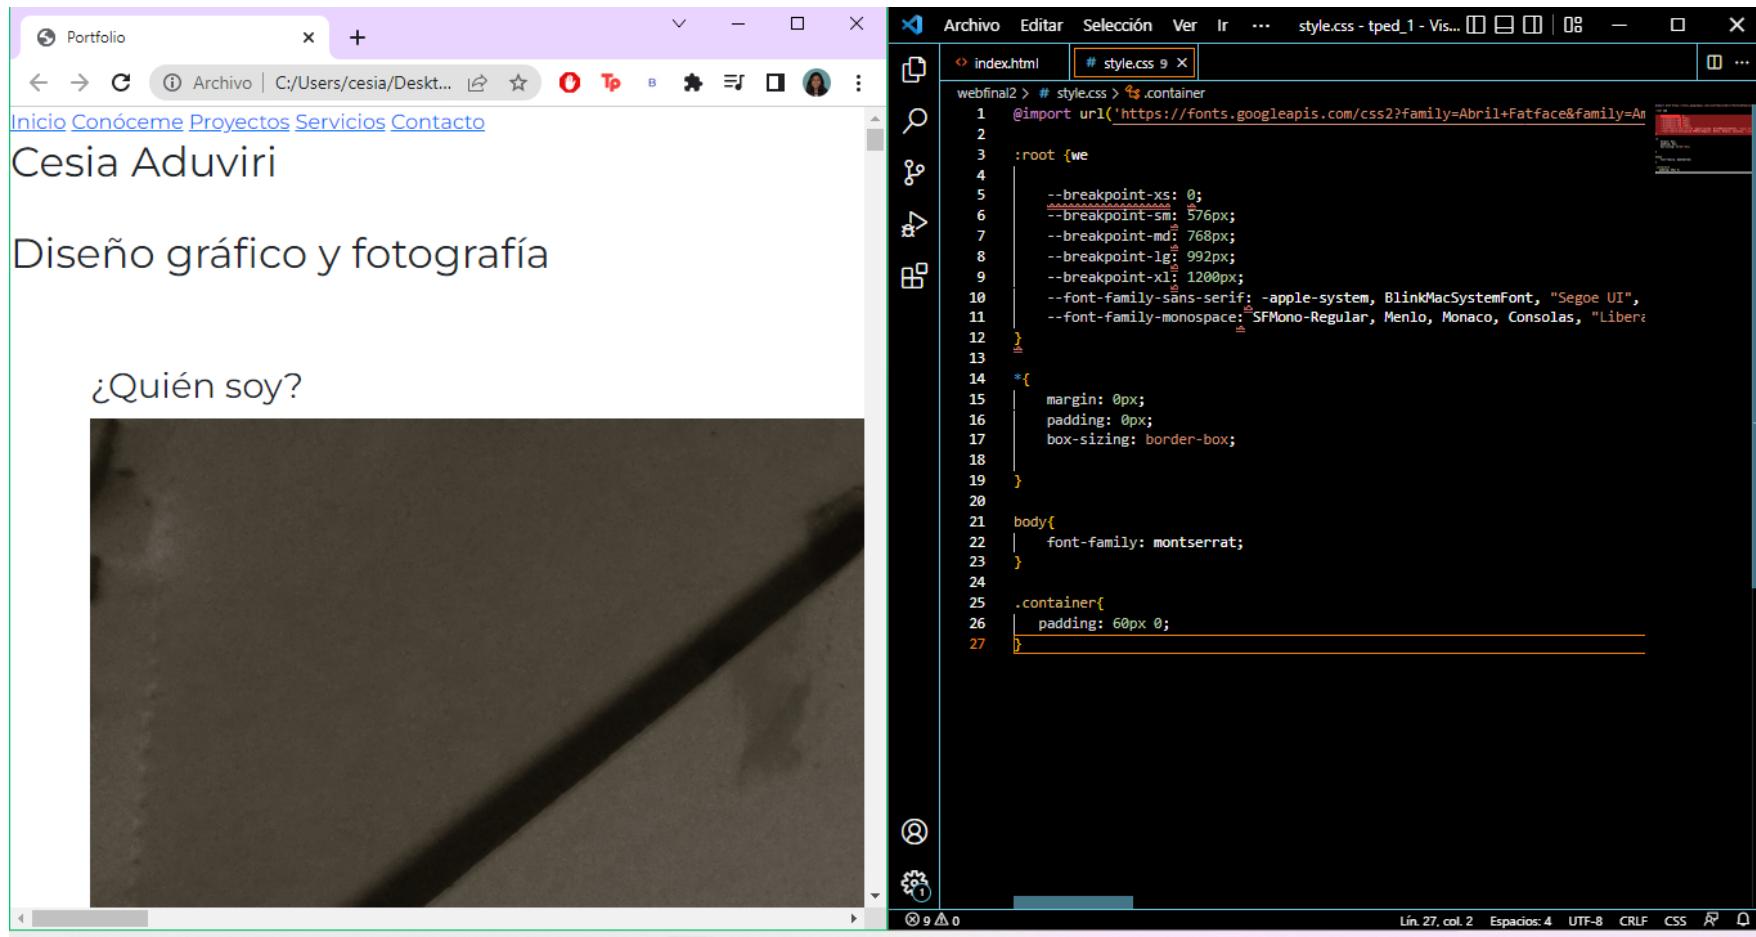

```
<!DOCTYPE html>
<html lang="es">
<head>
    <title>Portfolio</title>
    <meta charset="utf-8">
    <meta name="viewport" content="width=device-width, initial-scale=1">
    <link rel="stylesheet" href=".//webfinal/css/bootstrap.min.css">
    <script src="https://ajax.googleapis.com/ajax/libs/jquery/3.4.1/jquery.min.js">
    <script src="https://cdnjs.cloudflare.com/ajax/libs/popper.js/1.16.0/umd/popper.min.js">
    <script src="https://maxcdn.bootstrapcdn.com/bootstrap/4.4.1/js/bootstrap.min.js"></script>
    <link rel="stylesheet" href="style.css">
</head>
<body>
    <div class="container text-center">
        <h1 class="display-1">Portfolio</h1>
    </div>
</body>
```

- File Manager:** Shows the contents of the "webfinal" folder in a file manager interface. The files listed are "css", "js", "pantallazos", "index.html", and "style.css". The "index.html" file is highlighted.

The status bar at the bottom right of the file manager shows the file path as "WEB > tped\_1 > webfinal", the modification date as "21/01/2022", and the time as "21:14".

The image shows a screenshot of a computer interface with two main windows. On the left is a web browser window titled 'Portfolio' displaying a website with a purple header bar. The header includes links for 'Inicio', 'Conócame', 'Proyectos', 'Servicios', and 'Contacto'. Below the header, the name 'Cesia Aduviri' is displayed, followed by the text 'Diseño gráfico y fotografía'. To the right of the browser is a code editor window titled '# style.css 9 X'. The code editor displays a CSS file with the following content:

```
index.html # style.css 9 X
webfinal2 > # style.css > .container
1 @import url('https://fonts.googleapis.com/css2?family=Abrial+Fatface&family=Abrial+Fatface');
2
3 :root {we
4
5   --breakpoint-xs: 0;
6   --breakpoint-sm: 576px;
7   --breakpoint-md: 768px;
8   --breakpoint-lg: 992px;
9   --breakpoint-xl: 1200px;
10

19 }
20
21 body{
22   font-family: montserrat;
23 }
24
25 .container{
26   padding: 60px 0;
27 }
```

The code editor also shows a preview of the website on the right side, which appears to be a dark-themed portfolio page.

Footer inicial.

Posteriormente se añadieron los márgenes y estilos en css.

Las imágenes de las redes sociales se enlazarán con una url para redirigir al usuario

```
<div class="col-md-12"  
    style="display: inline-flex; justify-content: center; align-items: center; max-width: 100vw;"  
    id="social">  
  
    <ul id="redes">  
  
        <li><a href="https://www.facebook.com/" style="display: inline-flex;" target="_blank" class="facebook"></img></a></li>  
  
        <li><a href="https://www.instagram.com/cesia_adu/" style="display: inline-flex;" target="_blank" class="instagram"></img></a></li>  
  
        <li><a href="#" style="display: inline-flex;" target="_blank" class="twitter"></img></a></li>  
  
        <li><a href="#" style="display: inline-flex;" target="_blank" class="linkedin"></img></a></li>  
  
    </ul>  
</div>
```

The screenshot shows a Microsoft Edge browser window on the left displaying a website portfolio. The portfolio includes a large image of a woman sitting on the floor, a smaller image of a child, and several smaller images of skulls and flowers. On the right, a Visual Studio Code window is open, showing two files: 'style.css' and 'index.html'. The 'style.css' file contains CSS rules for various elements like '.images' and '#servicios'. The 'index.html' file contains the HTML structure of the website, including sections for 'servicios' and 'trabajos'. The status bar at the bottom shows the file path, line count (Lín. 129, Col. 1), encoding (UTF-8), and date (28/06/2022).

```

The screenshots show a responsive website layout across four devices:

- Home Screen:** Features a yellow logo icon and the name "CESIA". Below it, the text "Cesia Aduviri" and "Diseño gráfico y fotografía" is displayed.
- About Screen:** Shows a navigation menu with links to "Inicio", "Conócame", "Proyectos", "Servicios", and "Contacto". The main content area displays the same "Cesia Aduviri" text.
- Services Screen:** Contains a heading "¿Quién soy?" followed by a detailed biography of the author.
- Portfolio Screen:** Displays three images: a woman with pink hair, a book cover titled "Siente", and a plate of strawberries.
